FOREWORD

The Bowling Green Business University and College of Commerce was founded in 1874 as Old Southern Normal School and Business College. It had all the difficulties of a young school trying to bring to the public the dire need of higher education. It was swept by fire in 1899 and again in 1911, but out of these disasters grew a stronger determination to advance in commercial education. In 1907 the Southern Normal and Bowling Green Business University became separate institutions—one a state-controlled school known today as Western Kentucky State College and the other the Business University. In 1922 the Business University became a B-grade Junior College, and in 1925 Bowling Green College of Commerce became an A.B. senior college. The Kentucky Association of Colleges and Universities invited it to become a member in 1928. Since that time it has built up great popularity and respect throughout the educational institutions of our country.

MISS NINA HAMMER
Registrar

We, the members of the staff, take pride and pleasure in dedicating the 1948 TOWERS to the Registrar, Miss Nina Hammer, the behind-the-scenes director of the entire student body. Miss Hammer has built up and maintained a forceful popularity and friendship with the many thousands of students whose records have passed through her office. Her position does not of a nature breed friendliness and good will, since complying with all requests for adjustments asked of her would present an impossibility. The passion for duty she holds for her work, her liberal dealing of impartial and unprejudiced decisions, and her general fairness have won for her the deep admiration of all who know her.

THE TOWERS

The 1948 TOWERS is the nineteenth volume to be published by the seniors of the classes at the Bowling Green College of Commerce. During the depression year of 1932 and the war years of 1943 through 1945, publication was not practical, but now each of the classes takes pride in trying to improve the book produced by their predecessors.

HISTORY AND AIMS

The Beta Pi Honorary Accounting Fraternity, organized on March 26, 1936, by twelve members of the Higher Accounting Department of the Bowling Green College of Commerce, was incorporated under the laws of the Commonwealth of Kentucky in January, 1941. In the same year it became a national organization with the establishment of the Alpha Chapter at the Bowling Green College of Commerce, Bowling Green, Kentucky, and the Beta Chapter at Rider College, Trenton, New Jersey. The fraternity embodies the principles of Scholarship, Practicability, and Sociability as an aid to students of accountancy, and its aims are to encourage and foster the ideal of service as the basis of the accounting profession; to

promote the study of accountancy and its highest ethical standards; to act as a medium between professional men, instructors, students, and others who are interested in the study of accountancy; to develop high moral, scholastic, and professional attainments in its members; and to encourage cordial intercourse among its members and the profession in general.

Eligibility requirements include, among others, maintaining a "B" average in accounting courses and a general average of "B" in all subjects, and passing a competitive examination composed of accounting theory, accounting problems, and business law.

PURPOSE AND AIM

The purpose of this organization shall be to create a more close and lasting friendship among the students of the Business University; to promote useful knowledge, sound thinking, and clear expression, and to foster a better understanding of citizenship; to create a spirit of

fellowship so necessary to our purpose in life; and by our conduct may we contract a fraternal bond which shall not be forgotten when we meet in the serious business of life.

Business

Business will be our life and blood;
Business will provide for the ones we love;
Competition will be keen in the world we share;
Fraternalism will be something rare.
And as we go upon our way,
And the road is rough and skies are gray,
May the fraternal bond we make sincere
Be carried forward from year to year.
We pledge ourselves that this will be
Always the business of our fraternity.

Fraternalism

Fraternalism is the bond we all hold
When strife is strong and spirit less bold.
To us it is like an extra hand
To call upon at our demand.
Toppers all, in a brother's need will share
Another's triumph, fate or worldly care.
When parting comes and we each go our way,
May Topper fraternalism reign as it does today.

Social

Toppers will unite in social affairs
To free their minds from worries and cares,
Becoming more closely related to their fellow man,
Thus broadening their personal scope all they can.
Together they will search for the pleasures we seek;
They will build their prestige, and none will be meek;
O'er all the rest will be the Topper name.
In social activities they'll always reign.

ACHIEVEMENTS

The aim of the Pi Tau Nu Fraternity is to develop the members spiritually, mentally, socially, physically, and economically. The purpose of this organization, uniting young men in good fellowship and mutual service, is: (1) To help discover their life's work and to train them for success in it. (2) To help them develop the qualities of Christian character. (3) To help them train for life's responsibilities in home, church, community, and state,

and to emphasize physical, mental, spiritual, economic, and social growth.

In particular, the top-ranking scholars of the college will be found in the Pi Tau Nu Fraternity as scholarship is stressed primarily. This organization requires a B rating of its selected members; this restriction is far above the standard of a social fraternity.

THE BAPTIST STUDENT UNION

Is a youth organization for Baptists in higher institutions of learning. Every Baptist in college, graduate school, technical or professional school is a potential member of the B. S. U. He becomes an active member when he joins a Baptist church in the educational center, or any unit organization that is represented on the B. S. U. Council.

The B. S. U. functions in and through Baptist churches in an educational center and a B. S. U. Council composed of ten or more officers elected annually by the B. S. U. It seeks to promote spiritual development of students through Christian comradeships, Bible study, prayer, church membership, denominational loyalty, and Kingdom advancement.

Membership: Students of Bowling Green Business University and Western Kentucky State College are eligible for membership.

Meetings are held each Sunday evening at 6:00, opening with a supper served by the church.

Purpose: To furnish fellowship for students. To study and discuss topics both timely and timeless. To serve as a channel for world service.

All students are welcome. J. A. Lollis, Minister.

FIRST PRESBYTERIAN STUDENT COUNCIL

Dear B. U. Students:

One of the joys of a college pastor is to salute new students and wish old students much success as they leave the halls of learning. But these are merely the incidents on the boundary lines. Between them lies the real story.

I like to think of the students who come determined to fight against the newer forms of loafing; who believe in the gospel of labor; who seek no reward for being honest; and who recognize vice as the deadly enemy of character.

I like to remember the students who refuse to crowd God out with a math problem; who can offer the world more than a quick pencil and a clever tongue; who live through friendships, expand through prayer; and who have taken hold of life's high destiny of service through Jesus Christ. Upon them must the future depend. They shall bear the torch. After knowing many of the Business University students intimately over the last five years, I am not afraid of tomorrow.

FRED P. TURNER, *Pastor,*
First Presbyterian Church.
